

MIT Carbon Sequestration Forum

October 31 – November 1, 2000
Royal Sonesta Hotel, Cambridge, MA

Agenda

Tuesday, October 31	
8:00 am	Continental Breakfast
8:30	Session 1: The Economics of Carbon Capture and Sequestration Chair: John Reilly, MIT Presentation 1: Howard Herzog, MIT Presentation 2: Jake Jacoby, MIT
10:00	Break
10:30	Session 2: Public Perceptions/Acceptance of Carbon Capture & Sequestration Chair: Jake Jacoby, MIT Presentation 1: David Keith, Carnegie Mellon University Presentation 2: David Hawkins, Natural Resources Defense Council
12:00 pm	Lunch
1:30	Session 3: New Approaches to CO ₂ Capture Chair: Ken Smith, MIT Presentation 1: Alan Hatton, MIT Presentation 2: Rod Judkins, Oak Ridge National Laboratory
3:00	Break
3:30	Session 4: Building Gas-Fired Power Plants in a Carbon Constrained World – A Case Study from Norway Chair: Howard Herzog, MIT Presentation 1: Guillaume Quiviger, MIT Presentation 2: Hans Jorgen Dahl, Statoil
5:00	Adjourn
6:00 pm	Reception and Dinner
Wednesday, November 1	
8:00 am	Continental Breakfast
8:30	Session 5: Is a Hydrogen Economy in our Future? Chair: Lis Drake, MIT Presentation 1: Cathy Grégoire Padró, National Renewable Energy Lab Presentation 2: Mal Weiss, MIT
10:00	Break
10:30	Session 6: Updates Chair: Lis Drake, MIT <ul style="list-style-type: none">▪ The Kyoto Process and COP-6 – Denny Ellerman, MIT▪ The CO₂ Capture Project – Arthur Lee, Texaco▪ Saline Aquifer CO₂ Storage Project – Hans Aksel Haugen, Norsk Hydro▪ The International Collaboration Project on CO₂ Ocean Sequestration – Howard Herzog, MIT
12:00pm	Adjourn
